

To

Mr Goyal,

What do you buy a
Gentleman that has
~~saved~~ your wife?

This is a small token
to thank you for all
of your patience,
support & for
giving me my
health back.

You have
enabled me to

see my daughters
grow up & spend
valuable time
with my husband
& my family.

Please never
under estimate
the wonderful
gift you give to
people.

many many Thanks
