

My name is [redacted] and I had an appointment at your centre on Thursday 30th May. I wanted to take the time to write and say thank you (all too often we only make the effort to complain). I was so impressed by the service you offer. The staff I met were both human and professional. The information I was given was clear and relevant. The fact that my tests were reviewed as we went, so I came away with a definitive answer and no one's time or effort was wasted on unnecessary checks, was just fantastic.

Thank you all
so much for your
time and dedication
